**Re: Georgia Open Records Request ~ Matter 26-48430-19**

Dear Emma Best:

Thank you for your request to review county records. On July 10, 2019, I received your Open Records Act request for the following documents or records:

Copies of any Memoranda of Agreement (MOAs), Memoranda of Understanding (MOUs), memoranda of agreement or other liaison, information sharing or prisoner/detainee transfer agreements or delegations of authority with or involving Immigration and Customs Enforcement signed or otherwise put into effect between March 1, 2003 and the present. This includes but is not limited to any agreements entered into under or a result of Section 287(g) of the Immigration and Nationality Act.

After reviewing your request, it has been determined that DeKalb County Police Department is not the custodian of any documents responsive to your request.

The County and its official and departments do not produce documents or records that are protected by the attorney-client privilege or the attorney work product doctrine under Georgia or federal law or that are otherwise exempt from production under the Georgia Open Records Act. The County expressly reserves and does not waive any statutory exemptions from disclosure provided by O.C.G.A. § 50-18-72, et seq. and other applicable laws.

Sincerely,

*Leslie Finch*
